Kanakatudes™... with 4 quick selling tips

Beach Towels are ideal for branding since they have one of the largest imprint area of any promotional product. Do you sell to non-profit organizations or associations? Promotional products consultants frequently ask me about selling beach towels to this market segment. Non profits and associations use beach towels for:

- Fundraising, either as an incentive for a contribution or to reward volunteers who raise money.
- Branding.
- "Thank You/Recognition" gifts to volunteers or employees for performance, holidays, birthdays or employment anniversaries.
- Creating awareness of services or events.
